

## Paulette Johnston

I am the fifth child out of nine children of Paul and Izella Harty. I was born near Bloomfield, Missouri.

I married Lyle Johnston nearly 35 years ago and we were blessed with two children: Will and Celesta. Celesta married Dan adding another son to our family; they live in Phoenix. Will lives in Springfield, Missouri. Lyle and I have lived in a variety of places in the U.S., but our last and final move was to Prescott Valley in 2006.

Lyle is a United Methodist minister and we have been serving the Lord for over 30 years.

I enjoy photography, scrabble, sewing, crafts, cooking, and making cakes for special occasions. The environment and plants have held my interest for many years as well as helping others to learn. I've been a Cub Scout leader and have taught Sunday school, Bible school, Bible studies and prayer groups. My mother was a teacher and I believe it wore off on me. She was my role model.

I have worked in the Special Education field and am currently working on a degree in Early childhood Education.
